

STING SOCCER FOUNDATION

Investing in our youth to produce strong leaders that impact and contribute to their communities.

GUIDELINES TO COMMUNITY SERVICE FORM:

Players must:

1. Refuse to accept payment for their services.
2. Perform work for a non-profit organization.
3. Complete work for someone who is not related to them.
4. Perform work beyond attending service or youth groups for religious organizations.
5. Have a person supervise them.
6. Have the supervisor sign their form.

- Thrift Stores

The Sting Soccer Foundation believes in the importance of giving back through active community service. It is fundamental that our players understand this and adopt our attitude of servitude. We require our players to use this community service form to keep track of their hours. The form is for their benefit: to serve as accountability and acknowledgement of the service they have performed.
